EDUCATION

University of Cambridge Sep 2022 - Jul 2023
MPhil in Finance and Economics

University College London Sep 2019 - Jun 2022
BSc Economics, First Class Honours | Dean's List, UCL Faculty of Social & Historical Sciences (2022)

WORK & ACADEMIC EXPERIENCE

Tianheng Auditing Firm Feb 2024 - Apr 2024
Off-cycle Audit Intern

- Reviewed 150+ high-value transactions worth more than £10m in aggregate for a subsidiary of one of China's top 500 companies, using risk-based sampling to cover over 80% of total transaction value.
- Analysed financial ratios and historical account balances to identify unusual trends; participated in inventory verification and reviewed relevant legal documentation.

Wise Living Technology Co., Ltd. May 2022 - Aug 2022
Corporate Finance Intern - IPO Preparation

- Contributed to the preparation and verification of IPO prospectus disclosures for CSRC and HKEX submissions, incorporating initial regulatory feedback on ESG compliance and sustainability.
- Coordinated with the IBD team and internal stakeholders to validate shareholder structures, customer and operating data, and pension contributions for 800+ employees as part of the IPO due diligence.

GEC Academy - Financial Markets & Portfolio Construction Jul 2021 - Aug 2021
Team Lead, Portfolio Construction Programme

- Led a five-person team screening US-listed equities using valuation, profitability and leverage metrics and sector comparisons, shortlisting 10 stocks for portfolio construction.
- Built and presented two portfolios using Excel-based single-index and Markowitz models across five constraint scenarios; produced performance analysis and visualisations, placing first in the programme.

China Galaxy Securities Co., Ltd. May 2021 - Jul 2021
Sales & Trading and Investment Management Intern

- Analysed 20+ equity funds and interpreted Chinese macroeconomic developments, market signals and sector news to assist in client-facing investment discussions across commodities, consumer, energy and technology markets.
- Investigated margin-financing alerts by assessing collateral eligibility and risk-limit breaches, supporting escalation and margin-control decisions.

China CITIC Bank Aug 2020 - Oct 2020
Commercial and Retail Banking Intern

- Conducted liquor-sector research and credit-risk analysis for a merchant lending product, evaluating distributor business models, cash-flow cycles, industry regulation and borrower fundamentals.
- Analysed client needs and matched suitable market opportunities, contributing to more than £160k in retail sales in one month.

LEADERSHIP & SOCIETY EXPERIENCE

Cambridge Student Investment Fund Oct 2022 - Jun 2023
Portfolio Team Analyst | Student-run fund, approximately £100k AUM

- Evaluated TMT and energy investment opportunities by analysing investment theses, company fundamentals, trading comparables, DCF and NAV valuations to inform investment recommendations.
- Formulated position-sizing recommendations by assessing historical performance, incremental VaR, macroeconomic sensitivity and portfolio-level risk.

UCL Chinese Students & Scholars Association, Career Division Oct 2021 - Jun 2022
Career Division Executive & Events Officer

- Co-led a collaboration with Tencent's HR team to increase career engagement among UCL Chinese students and alumni, laying the groundwork for future sponsorship.
- Organised two in-person career fairs and virtual speaker events, collaborating with financial-services organisations to support members' professional development.
